From

Excise Commissioner in Mysore,
In-charge.

To

Charles E. Noronha, Esqr., M.A.,
Secretary to the Government of
H.H. the Maharaja of Mysore,
Development Department,
Bangalore.

Sir,

I have the honor to forward herewith a copy of letter No:B.M.978/44 dated 9-1-45 received from the Director of Public Health in Mysore along with that of its enclosure stating that the Department has been permitted by Government to purchase 400 gallons of petrol per month for use in the manufacture of Pyrethrum extract and that as the authorities of the Burmah Shell Depot are not in a position to supply unleaded petrol not mixed with alcohol, in the absence of an exemption certificate, the necessary exemption re: supply of pure petrol may be granted to the Department etc. In view of the urgency expressed in the Director's letter, I have permitted the supply by Messrs. Burmah Shell Company, of petrol unmixed with power alcohol and have requested the Director of Public Health to obtain from the Chief Ration Authority in Mysore, the necessary permit for obtaining unleaded petrol.

I request that approval of Government may kindly be obtained to the action taken by me and the same communicated early.

I have the honor to be,
Sir,
Your most obedient servant,

Letter No:B.M.978/44-45 dated 9-1-45 from the Director of Public Health, Bangalore, to the Excise Commissioner in Mysore, Bangalore.

Adverting to Govt.Order No:M.9908-9/P.H.40-43-41,dated 30th March 1944, sanctioning the purchase of 400 gallons of petrol per month for the manufacture pyrethrum extract and insecticide for killing adult mosquitoes vide copy enclosed, I have the Honor to state that for the purpose of manufacturing the insecticide, pure deleaded petrol is required. For this reason petrol was obtained from M/s.Bangalore Cycle and Motor Co., Bangalore Cantt. till October 1944. As the supplies from this firm were not regular the Agents, M/s.Burmah Shell Co., have been requested to supply the petrol. I understand from Messrs.Burmah Shell Co., just to-day, that according to Mysore Petrol Act no pure petrol could be issued without obtaining an exemption permit. In view of the circumstances explained above, I request you to kindly cause an exemption permit to be issued in favour of the Director of Public Health for obtaining 400 gallons of pure deleaded petrol per month from the Agents, Burmah Shell Co., Bangalore City. As the petrol is required immediately for the manufacturing process, I request you to kindly treat this as very urgent.
